V-Sea 5.0

The V-Sea could be described as a mini Victory. It's loaded with a number of features as standard to catch the eye of any keen angler and help them land the perfect catch, including rod holders in the side decks and side pocket racking for more rods. An extra large bait well is also included with cutting board lid to make baiting and filleting a breeze.

The V-Sea is a hard core fishing boat but can also double as a family or social boat when required with the inclusion of the rear lounge. With a range of optional extras available, upgrade your V-Sea for a more luxurious fit-out.
