# Voyager 6.8

The Voyager is the flagship of the Seafarer range and is as impressive as you would expect. It is a comfortable half cabin with plenty of headroom. The transom has been built to accommodate a single or twin configuration outboard, which gives you all kinds of power options. It can also come with an optional hard top which is fantastic for keeping the elements at bay but also allows you to get things like radios, speakers and switches away from the dashboard.

## STANDARD FEATURES

- Anchor well with divider
- Cabin hatch with stays and cabin windows
- Carpet – clip in floor mats in cabin and helm area
- Cockpit floor and side walkways completely self-draining with grate and sump box, gutters and stainless scuppers
- Deck hardware – stainless steel
- Folding transom door
- Ice box under front console seat
- Porta potti under forward bunk

- Rear bait well with cutting board lid
- Seating – standard buckets on pedestals
- Windscreen – glass
